

Regional Municipality of Durham

Bid Opportunity: T-1034-2026 - General Contractor for the construction of 409 Centre Street South in Whitby

Closing Date: Friday, October 30, 2026 2:00 PM

Addendum number 2 – October 9, 2026

This addendum will form a part of the bid documents for the above-noted bid and shall be read in conjunction therewith. This addendum will take precedence over all requirements of the original bid documents and any addenda issued previously.

Bidders shall acknowledge receipt of this addendum with their electronic bid submission on the declaration page in the bidding system.

Documents

1. Document Appendix B – Supplementary Conditions (SC) to Stipulated Price Contract CCDC 2-202 & CCDC Insurance Requirements CCDC 41-2022; replace and forms part of this addendum.
2. MD01_409 Centre IFT_Civil Drawings_v2; replace and forms part of this addendum.
3. MD05_409 Centre IFT_Structural Drawings_v3; replace and forms part of this addendum.

Addendum 1

4. Appendix C – Cash Allowances, row 2 Signage and Graphics - \$70,000 and row 3 Irrigation - \$10,000; delete in its entirety. Revise Appendix C - Cash Allowances subtotal to \$50,000.
5. Appendices A, B, C, D (D3 to D5) and Attachments and Standard Forms, Schedule of Sections and Prices; Delete in its entirety and replace with Addendum 1, Attachment 1 – Schedule of Sections and Prices.
6. Appendices A, B, C, D (D3 to D5) and Attachments and Standard Forms, Appendix D, D-5 Final Conditions of Award, delete the following:

Asbestos Abatement Insurance

Asbestos Abatement Insurance shall have limits of not less than five million dollars per occurrence. Such insurance shall include all operations associated with hazardous materials handling or removal.

Appendices A, B, C, D (D3 to D5) and Attachments and Standard Forms, Appendix D, D-5 Final Conditions of Award, add the following:

Wrap-up Liability Insurance:

Wrap-Up Liability insurance shall be with an inclusive limit of not less than \$5,000,000 per occurrence, an aggregate limit of not less than \$10,000,000, within any policy year with respect to completed operations.

Broad Form Property Insurance:

Broad form property insurance shall have limits of not less than the sum of 1.1 times Contract Price and the full value, as stated in the Contract, of Products and design services that are specified to be provided by the Owner for incorporation into the Work, with a deductible not exceeding \$10,000. The insurance coverage shall not be less than the insurance provided by IBC Forms 4042 and 4047 or their equivalent replacement. Subject to satisfactory proof of financial capability by the Contractor, the Owner may agree to increase the deductible amounts. Broad form property insurance shall not exclude “resultant damage”.

Question 1:

Please review upload of structural drawing set. Past S400 the drawing content appears to be missing.

Answer 1:

Refer to Addendum 1.

Question 2:

1. Appendix C – Cash Allowance – Third-Party Testing and Inspection Please refer to Appendix C – Cash Allowance. We note that there does not appear to be any cash allowance provided for third-party testing and inspection. Please advise who will be responsible for engaging and paying for all required third-party testing and inspection services.

Answer 2:

Refer to Section 01 21 13 Cash Allowances. Cash allowance has only been carried for Air Tightness Testing. Refer to Section 01 43 39 Mock-ups for Air Tightness Testing requirements.

Question 3:

Appendix C – Schedule of Prices Please refer to the Schedule of Prices in Appendix C. There are a total of twenty-five (25) items requiring a detailed breakdown. As we often receive subcontractor and supplier quotations at the last moment, particularly for mechanical and electrical work, it may be difficult to provide a complete and accurate detailed breakdown at the time of bid submission. Would the Owner consider allowing bidders to submit a single lump-sum bid amount at closing, with the detailed breakdown to be submitted within twenty-four (24) hours following the bid closing time?

Answer 3:

Bidders are required to submit Appendix C – Pricing Form at the time of the bid submission. The lowest compliant bidder will have the opportunity to submit a revised section breakdown in the form of the Schedule of Section and Prices during the Initial Pre-conditions of Award. The Schedule of Sections and Prices will be used for monthly invoices. Refer to Appendix D, D-4 Initial Pre-conditions of Award.

Question 4:

Domestic Supply Chain Plan – Major Goods and Services Would the Owner consider allowing bidders to submit the Domestic Supply Chain Plan – Major Goods and Services breakdown within twenty-four (24) hours following the bid closing time?

Answer 4:

The Domestic Supply Chain information is a required component of the bid submission and is used as part of the evaluation process. To maintain a fair and consistent procurement process for all proponents, the information must be submitted with the bid by the tender closing deadline.

Question 5:

Section 1.4 – RFT Timetable – Deadline for RFIs Please refer to Section 1.4 – RFT Timetable. Would the Owner consider setting the deadline for RFIs at least two (2) days after the issuance of the final addendum? This would allow bidders sufficient time to review the final addendum and submit any additional clarification questions that may arise as a result.

Answer 5:

Addendums will be issued as quickly as possible prior to the Deadline for Questions to ensure bidder's enough time to ask any follow-up questions. The Deadline for issuing Addenda will remain following the Deadline for Questions to allow the project team to answer all questions submitted by the deadline.

Question 6:

Bid Bond – Oblige Please confirm that the Bid Bond is to be made in favour of "THE REGIONAL MUNICIPALITY OF DURHAM."

Answer 6:

Yes.

Question 7:

Bid Validity, Substantial Completion and Construction Start Date We understand that the bid is irrevocable for a period of ninety (90) days from the date of submission and that substantial completion is required within fifty-two (52) weeks following issuance of the award. Considering that the winter period may occur during the construction schedule, could you please advise the anticipated award date and construction start date? This information will assist bidders in appropriately allowing for seasonal conditions and associated costs in their bids.

Answer 7:

Anticipated Award Date: December 14, 2026. Anticipated start date: January 11, 2027. These dates are tentative only and may be changed by the Region at any time.

Question 8:

Article A-1 – The Work – Substantial Completion and Liquidated Damages

Article A-1 indicates that substantial completion is required within fifty-two (52) weeks from the date of award, with liquidated damages of \$1,000 per calendar day for failure to achieve substantial completion within the specified timeframe. Considering that a significant portion of the work may need to be performed during the winter months, would the Owner consider extending the substantial completion period by an additional twelve (12) weeks, for a total contract duration of sixty-four (64) weeks?

Answer 8:

Yes, refer to the revised supplementary conditions, Addendum 2, attachment 1.

Question 9:

Appendix B – Supplementary Conditions to Stipulated Price Contract –

Professional Liability and Asbestos Abatement Insurance Please refer to

Appendix B – Supplementary Conditions to Stipulated Price Contract, Section 37

– CCDC 41 – Insurance Requirements, including Section 31.7.9 – Professional

Liability. As the General Contractor will not be responsible for the design of

structural elements, would the Owner consider removing the Professional

Liability Insurance requirement from the General Contractor's scope, with the

applicable trades/subcontractors carrying their own professional liability

insurance for any engineering or design requirements? Similarly, with respect to

asbestos abatement, would the Owner consider removing the asbestos

abatement insurance requirement from the General Contractor's scope where

the applicable abatement contractor/trade carries the required insurance for its work?

Answer 9:

The Professional Liability Insurance requirements will remain unchanged and will not be removed from the tender documents.

Asbestos Abatement Insurance has been removed from this tender. Refer to Addendum 2, Items 4, 5 and 6.

Question 10:

Schedule of Values – Division 00 – Insurance, Warranty and Related Costs

Please refer to the Schedule of Values for Division 00 in Part 2 of 5 of the RFT documents. We would appreciate clarification on the following items:

- a) Builder's Risk Insurance Please confirm the Builder's Risk Insurance requirements, including the required coverage limit, deductible, and party responsible for obtaining and maintaining the policy.
- b) Wrap-Up Liability Insurance Please advise the required limit of liability for the Wrap-Up Liability Insurance.
- c) Warranty Security Interest Carrying Cost Please advise the applicable percentage or amount of warranty holdback/security required for the additional one (1) year period, and confirm how the associated interest-carrying cost is to be calculated.
- d) One-Year Extension of Contract Warranty Period Please confirm whether the "One Year Extension of Contract Warranty Period" represents an additional one (1) year beyond the standard one (1) year warranty period. We understand that the Supplementary Conditions require a total warranty period of two (2) years. Please confirm whether this line item is therefore intended to cover the additional year beyond the standard one-year warranty period.

Addendum 1

Answer 10:

- a) Refer to Addendum 2, Attachment 1, revised Appendix B Supplementary Conditions (SC) to Stipulated Price Contract CCDC 2-202 & CCDC Insurance Requirements CCDC 41-2020.
- b) Refer to Addendum 2, Attachment 1, revised Appendix B Supplementary Conditions (SC) to Stipulated Price Contract CCDC 2-202 & CCDC Insurance Requirements CCDC 41-2020.
- c) Refer to Section 00 61 14 – Bonds, insurance and warranty security.
- d) Refer to Section 00 65 36 – One year extension of contract warranty period.

End of addendum
